

14th October 2010

Pets as Therapy
East London

Dear Gill.

The Hudson Park Primary School/LifeLine/Childline East London 5km Family Fun Walk/Run which was held on the 9th October 2010 at Oxford Striders club, Beach Road, Nahoon was a great success and we were blessed on the day with good weather.

A total of R6248.00 was raised for LifeLine/Childline which will go a long way towards helping us to help others. Each counselling session costs us approximately R60.00 and we rely on the generosity of people such as yourselves to enable us to continue with our services. The counselling of one person brings a measure of healing and hope to many others who are in that person's world.

I would like to thank you especially for hosting a stand at the event and also for having your dogs there. They added a lovely fun atmosphere and the children really enjoyed petting them and seeing them walk. Thanks again.

Your kindness is deeply appreciated by us all.

Warm regards

Joan
